

Special Vendor Offer

The folks at **SDCUE and SDSEA** would like to extend a special offer to those of you who are unable to attend the **27th Annual SDCUE Technology Conference but would like to have a presence.**

If you have fliers, brochures, demonstration disks/CD's, promotional materials or advertising materials you would like us to display and/or hand out to Fair attendees, we are offering the service of displaying your materials at a special booth in our vendor area. We can also place your materials in the registration packet for each attendee. The fee for this service is only \$50.00. If you would like to take advantage of this offer, please fill out the information below and send it with your check and materials.

If you are exhibiting, you do not need to have the materials stuffed since you will be attending and attendees will see your materials in the vendor area. However, if you would like to have additional exposure, this opportunity is available to you.

_____ I would like you to distribute my materials in the attendee's packet at registration. (This is typically an offer you may want to take advantage of if you are not going to be able to attend).

For materials to be contained in the registration packet they **must** meet the following specifications:

- 1) Be a single page or several pages stapled.
- 2) Be a demo **CD*** (*The fee may be waved if you send 300 copies of a CD-ROM or if you contribute a door prize*)
- 3) Be sent and delivered as **300** copies
- 4) **Items must be received at 1958 Donahue Dr., El Cajon, CA, 92019, no later than October 15, 2010**
